

Year 1 (w.c. 18.05.20)

Good morning Year 1! We hope you and your families are all well and enjoying this time you have together. Remember children, your grown ups may still be very busy with jobs to do for work, around the house and caring for you. Try your very best to help them in anyway you can...we know how amazing you all are!

Here are some more challenges that you might do at home...we know how much you all love a challenge! Remember though...don't get too worried about this work, everyone's home is different and everyone will be doing different things. The most important thing is that and your family stay safe and happy together.

If you want, try to do a little Maths and Reading every day. Make sure you carry on listening to your grownups and keep helping them out at home. 😊

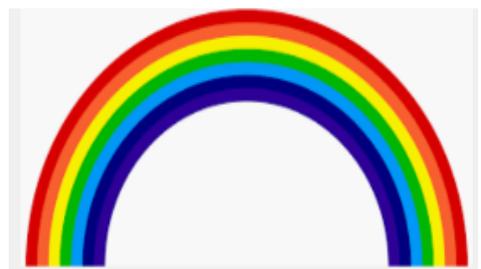

Please remember to keep in touch, it always makes us smile when we hear from you! You can email us with any questions you have, any photos of your completed work or just to let us know how you are.

| Art / D&T | All different castles had their own coat of arms which was displayed often on a flag or the shields that their knights used in battle. I have included some examples for you to look at. Can you design your own coat of arms? You might even have a go at making your shield using some cardboard and materials that you might have at home. I can't wait to see your designs or finished products! |

| Kindness | Can you keep on spreading happiness? This week, we have been thinking about all the people who work hard to look after us while we are staying safe at home: the binmen, the postman, the delivery drivers...There are so many people out there doing such important jobs for us. Why don't you design or colour in a poster and stick it in your window for key workers to see? I have attached some colouring sheets to help. Whatever you do, be kind.  |
| Family Time | This week we have been enjoying playing I spy when out on our walks! Have a go and see if you can catch your family out! |
