Kindness	Can you spread kindness and happiness? 3 a day challenge. Try and do 3 kind things for someone else during each day. Think about ways that you can help other people around you. You could help mum/dad clear the table after a meal or put your own toys away, make a card for someone and deliver it, create a message or picture and hide it for someone to find or even just smile at someone! Whatever you do, be kind. 
Family Time	Can you play a board game together? We love charades, dominoes, card games and the post-it note game (where you each have a character's name written on a post-it note stuck on your head and you have to guess which character you are by asking questions with only yes or no answers!) Have fun!
