

Year 2 (w.c. 11.05.20)

Hello again to all of our Year 2 friends! We hope you are all keeping safe and well at home. As the weather was lovely last week we hope you managed to get some exercise outside.

Just to keep you busy, we have some more activities that you might like to try at home.

Please email us any photos of your completed work- we cannot wait to see what you've been working on at home. jodonnell@eastboldoninfants.org.uk or cmunslow@eastboldoninfants.org.uk

Stay safe,

Lots of love,

Mrs O'Donnell, Mrs Munslow, Mrs Taylor and Mrs Hunter

Week 4 – Number work – Addition and Subtraction

English

Watch the story “Eddies Garden and How to make Things Grow” by Sarah Garland on You tube

https://www.youtube.com/watch?v=OC0V3k_8F_U

Or choose a book you really like.

Can you...

* make a list of adventurous vocabulary which is used in the book

* change some words in the book for more adventurous words

*sort the words in the book into verbs, nouns, adjectives and adverbs.

* write questions about the book (remember to start with different question words and end with a ?)

* describe a character or setting from the book (remember to include outstanding openers, amazing adjectives and conjunctions.

*Have a look outside in your garden. Can write a description of it? Or Can you find something that is growing in the garden and write a diary explaining the changes which happen to it?

Spelling	Choose 5 words each week from the Year 2 Common Exception Words. Each day spend 5 minutes practising how to spell them and also recognising what they look like so that you can read them without sounding out at all!
P.E.	<p>There are so many fun ways to keep fit. Try one of these..</p> <ul style="list-style-type: none"> * Joe Wicks live on You Tube https://www.youtube.com/results?search_query=joe+wicks+live+workout * Dance along with Oti Mabuse (live at 11:30 or other videos are on You Tube) https://www.youtube.com/results?sp=mAEB&search_query=dance+with+oti+mabuse * Go Noodle videos on You Tube. We love “Milkshake” and “Banana, Banana, Meatball” but there are <u>loads</u> to choose from https://www.youtube.com/watch?v=BQ9q4U2P3ig * Cosmic Kids Yoga videos on You Tube: https://www.youtube.com/user/CosmicKidsYoga <p>You could even have a go at making up your own exercise or dance routine. Try teaching it to your family!</p>
Science	<p>Gardens - go outside of your home. Which living things can you see? If you go out at different times do these living things change or stay the same? Keep a record of what you see.</p> <p>Go on a scavenger hunt in the outside area.</p> <p>How many different colours can you find? Record what you find.</p> <p>Choose a colour e.g. green. How many different greens can you find?</p>
Art / D&T	Gardens – Make a model of a garden you would like. Be as creative as possible. Perhaps you can use things from your own outdoor space e.g. small twigs for trees or make things from paper card e.g. swings/ benches.
Geography	Gardens – Can you create a map or plan of your garden or a garden you would like to have? On your map can you either create a key or label the features of the garden? Can you recognise which features are human and which are physical?
Kindness	Can you spread kindness and happiness? 3 a day challenge. Try and do 3 kind things for someone else during each day. Think about ways that you can help other people around you. You could help mum/dad clear the table after a meal or put your own toys away, make a card for someone and deliver it, create a message or picture and hide it for someone to find or even just smile at someone! Whatever you do, be kind. 
Family Time	Can you play a board game together? We love charades, dominoes, card games and the post-it note game (where you each have a character’s name written on a post-it note stuck on your head and you have to guess which character you are by asking questions with only yes or no answers!) Have fun!
